BNetzA's draft decision setting targets for the implementation of an appropriate (horizontal) cost allocation among transmission system operators and an appropriate allocation of costs on entry and exit fees ("HoKoWä")

[Entwurf einer BNetzA-Festlegung von Vorgaben zur Durchführung einer sachgerechten (horizontalen) Kostenwälzung zwischen Fernleitungsnetzbetreibern sowie einer sachgerechten Aufteilung der Kosten auf Ein- und Ausspeiseentgelte („HoKoWä“)]

Eni's [REDACTED] statement

Eni appreciates the development of the analysis dedicated by the Ruling Chamber (Beschlusskammer) 9, also involving discussions with the stakeholders, to the issue of an appropriate allocation of costs of the transmission system operators (TSOs) of a market area on the entry and exit fees of the same market area.
